

## 10,000<sup>th</sup> GCMS Shipped!

Not long ago, we delivered the 10,000th Agilent 5975 Series GC/MSD to a lab just like yours!

**Thanks to labs everywhere, the 5975 Series GC/MSD has become a world-wide success story.**

No surprise. For starters, it's built on Agilent's solid foundation of industry leadership, reliability and performance. Add to that:

- Today's lowest limits of detection and quantitation
- Powerful Deconvolution Reporting Software that reduces post-run analysis from hours to minutes
- Faster, easier operation and reduced routine maintenance

**Count 'em!  
10,000 GC/MSDs—all in one place.**
